Lets see if we can make it to 10,000

*Harry - March 14, 2010, 9:31 am*

make what to 10,000?

please explain the rules...

and while I am here, welcome to the firchao forums!

*firechao - March 14, 2010, 10:03 am*

I've seen a game like this before - I'm guessing you're supposed to count, so I'll begin thus unless dave corrects me

1

*Harry - March 14, 2010, 10:48 am*

2

How the hell are we going to get to 10,000!

*Mystic - March 14, 2010, 11:51 am*

3

By posting numbers 9997 more times.

*Harry - March 14, 2010, 1:01 pm*

4

This is going to take forever  
what happens if a number gets repeated?

*Mystic - March 14, 2010, 1:07 pm*

5

Maybe, but it'll be worth it in the end. If a number gets repeated then we'll just have to count to 10,001 instead.

*Harry - March 14, 2010, 1:09 pm*

6

Meh. This will just increase my points for now

*Mystic - March 14, 2010, 1:10 pm*

7

And mine.

Harry - March 14, 2010, 1:20 pm

8.

We could get this done by ourselves...

Mystic - March 14, 2010, 1:21 pm

9

Maybe. It'd take a while though.

Harry - March 14, 2010, 1:25 pm

10.

I ought to stop doing this soon.

Mystic - March 14, 2010, 1:27 pm

11

No. You must carry on doing this for eVER AND EVER AND EVER AND  
EEEEVVVEEEEEEEEEEEEEEEEEEEEEERRRRRR!!!!!!!!!!!! \*shot\*

I think it depends on when it's taking place - Giovanni pwns Nick Griffin, but he's not leader any more in HGSS.

191

Really? That sucks...

Will - April 8, 2010, 8:38 pm

Oh darn, did they change the story then?  
Unless I'm remembering wrong... :/

Mystic - April 8, 2010, 8:58 pm

197

Not the main story, but in HGSS, if you take an event Celebi to Ilex Forest, the Celebi takes you back 3 years and you get to see what happened to Giovanni.

*Will - April 8, 2010, 9:00 pm*

198

Oh, I see. Which event Celebi, and how do I get one?

*Mystic - April 8, 2010, 9:03 pm*

But it was one lovely thing, not nine!

Actually, I think it was two. Also you did put up with my incompetence for 3 days!

*Mystic - April 8, 2010, 9:44 pm*

211

Your incompetence is nothing compared to what I have to deal with on a daily basis at university - everyone else knows very little about computers so when they ask me for help it's like whacking my head against a brick wall.

*Will - April 8, 2010, 10:46 pm*

212

Ah, okay then. I guess it's very similar to the IT department at my school -\_-

*Chris - April 9, 2010, 8:36 am*

213

I get the same thing in English lessons. The other day, someone interrupted the lesson to ask how "polystyrene" was spelt. \*facepalm\*

218

Oh, the conversation has stopped! This thread is boring without it...

*Chris - April 9, 2010, 10:18 am*  
219

Sorry - where was the conversation going?

*Will - April 9, 2010, 10:19 am*  
220

It wasn't especially, but just posting numbers is stupid. There needs to be something to talk about!

*Chris - April 9, 2010, 10:22 am*  
221

How about...politics? I think Brown and Cameron should just have a cage fight - it'd be far quicker.

*Will - April 9, 2010, 10:31 am*  
222

What about Nick Clegg? He should join in as well!

*Chris - April 9, 2010, 10:37 am*  
223

I don't think a three way cage fight would work. They'd probably bribe Nick anyway.

*Will - April 9, 2010, 5:25 pm*  
224

It would, definitely. It'd be a lot more awesome, they should give them weapons too, like the budget briefcase and a gavel.

*Mystic - April 10, 2010, 8:12 pm*  
225

Hell yeah

harry you're always the boring one who doesn't bother to continue the conversation - that's not what posting is about, and if you continue to do so I'll be forced to remove the postcount from the forum games board

EDIT: or, more likely, I'll just lock this thread on the grounds that it isn't a very good idea anyway

*Mystic - April 11, 2010, 3:38 pm*

229

TBH this game is pretty pointless - you might as well just replace it with a Mundane Chat Thread or something (and/or IRC).

*firechao - April 11, 2010, 4:19 pm*

230

Ok a chat thread 'tis - not sure "forum games" is the forum for it, though...

*Mystic - April 11, 2010, 4:21 pm*

231

Well there's always the General forum.

*Harry - April 11, 2010, 9:59 pm*

232

Oh look... it is a post.

The reason I don't add anything extra is because by the time I post, the topic has become so insane that I have nothing left to say.

*Mystic - April 12, 2010, 9:57 am*

233

Well change the subject to something less insane then!

*Harry - April 12, 2010, 10:02 am*

234

You know what I love?  
Peanut Butter.

*Mystic - April 12, 2010, 10:09 am*

235

:O

I don't. I think it's horrible. It instills an almost insane hatred in me, and whenever I see it I want to throw it at a wall.

*kahuna - April 12, 2010, 1:54 pm*

236!!! woo hoo!

*firechao - April 12, 2010, 6:06 pm*

Ok, this thread has now been locked, as it just isn't a very good idea for a forum game.

Sorry if you liked it, but this is final.
